A New Look

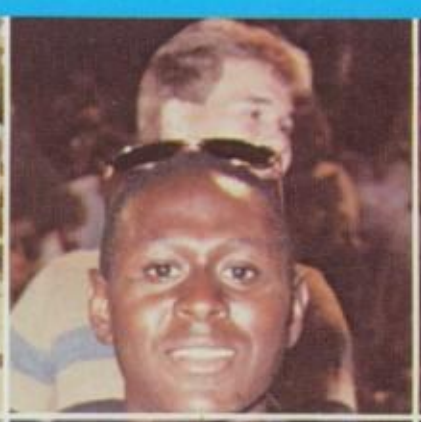
As inexperienced freshmen take their first speculative steps into the unknown, yet enticing atmosphere of high school, they quickly make a place for themselves in which they will grow academically as well as socially. Ever-changing, the newest members of the student body will dedicate themselves to establishing their own identities.

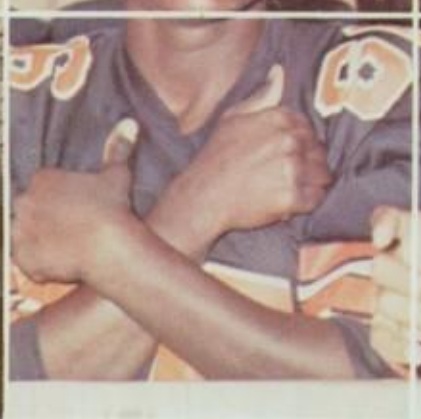
Sophomores, with renewed certainty, boldly accept their new status with confidence and security. As familiar surroundings greet them once again, they will continue to grow, learn, and adapt their changing attitudes to the reality of the imminent future.

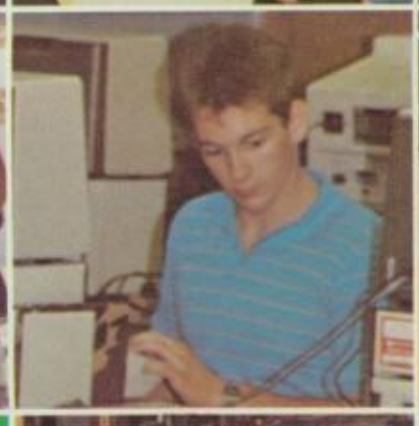
Returning as recognized and distinguished upperclassmen, juniors embark on the toughest part of their journey through high school. They are faced with a demanding academic schedule, a busy social life, and a seemingly never-ending year until they finally reach the top.

Emerging as the uppermost class, seniors are comforted for the last time with the security of high school as they prepare to move on to a new way of life at the school year's end. The schedule of a senior is a busy one that includes the required, and popularly dreaded, Civics and Psychology courses as well as the countless number of counseling appointments to discuss college and vocational plans. The days seem to fly by as the long-awaited dreams of graduation finally come into focus.

As each class makes the transition to a new level, everything seems to fit together. The characteristics of each class combine to form new friendships, new styles, new beginnings, and overall — A NEW LOOK.







Getting Back To That Ol' Routine

We could hardly believe that once again it was time for school to begin. The ringing of alarm clocks and the sweet smell of cinnamon rolls were a strong reminder. This year, the school administration decided that the upperclassmen would register on Friday, August 30th, instead of taking the first day of school to do it. The freshmen were pre-registered as usual, but the administration tried something new by also pre-registering the sophomores. This decision brought about mixed feelings from the class of '88. Carla Nemeth commented, "I was disappointed because I didn't get most of the classes I needed." But, on the other hand, Melanie McShane said, "I didn't mind being put into classes, because it gave me an opportunity to meet some new friends." Although this new process worked well, the usual confusion was still there. A familiar cry was, "Oh no, what am I going to do? There are no openings in third period geometry!" But, after some minor changes, and some major headaches, almost everyone managed to create an acceptable schedule.

1. Michelle Masterson and Shannon Lark obtain guidance from their counselor, Mr. Popp. 2. Stacy Johnson makes a last minute adjustment on her schedule. 3. Senior men take a break after a very hectic morning. 4. John Carberry reconstructs his schedule once again. 5. Derica Moore, Andrea O'Neil, and Zerica Moore adjust their schedules to get a few classes together. 6. Students wait patiently in line to register for classes. 7. Mr. Gittens is surrounded by students needing assistance on their scheduling.

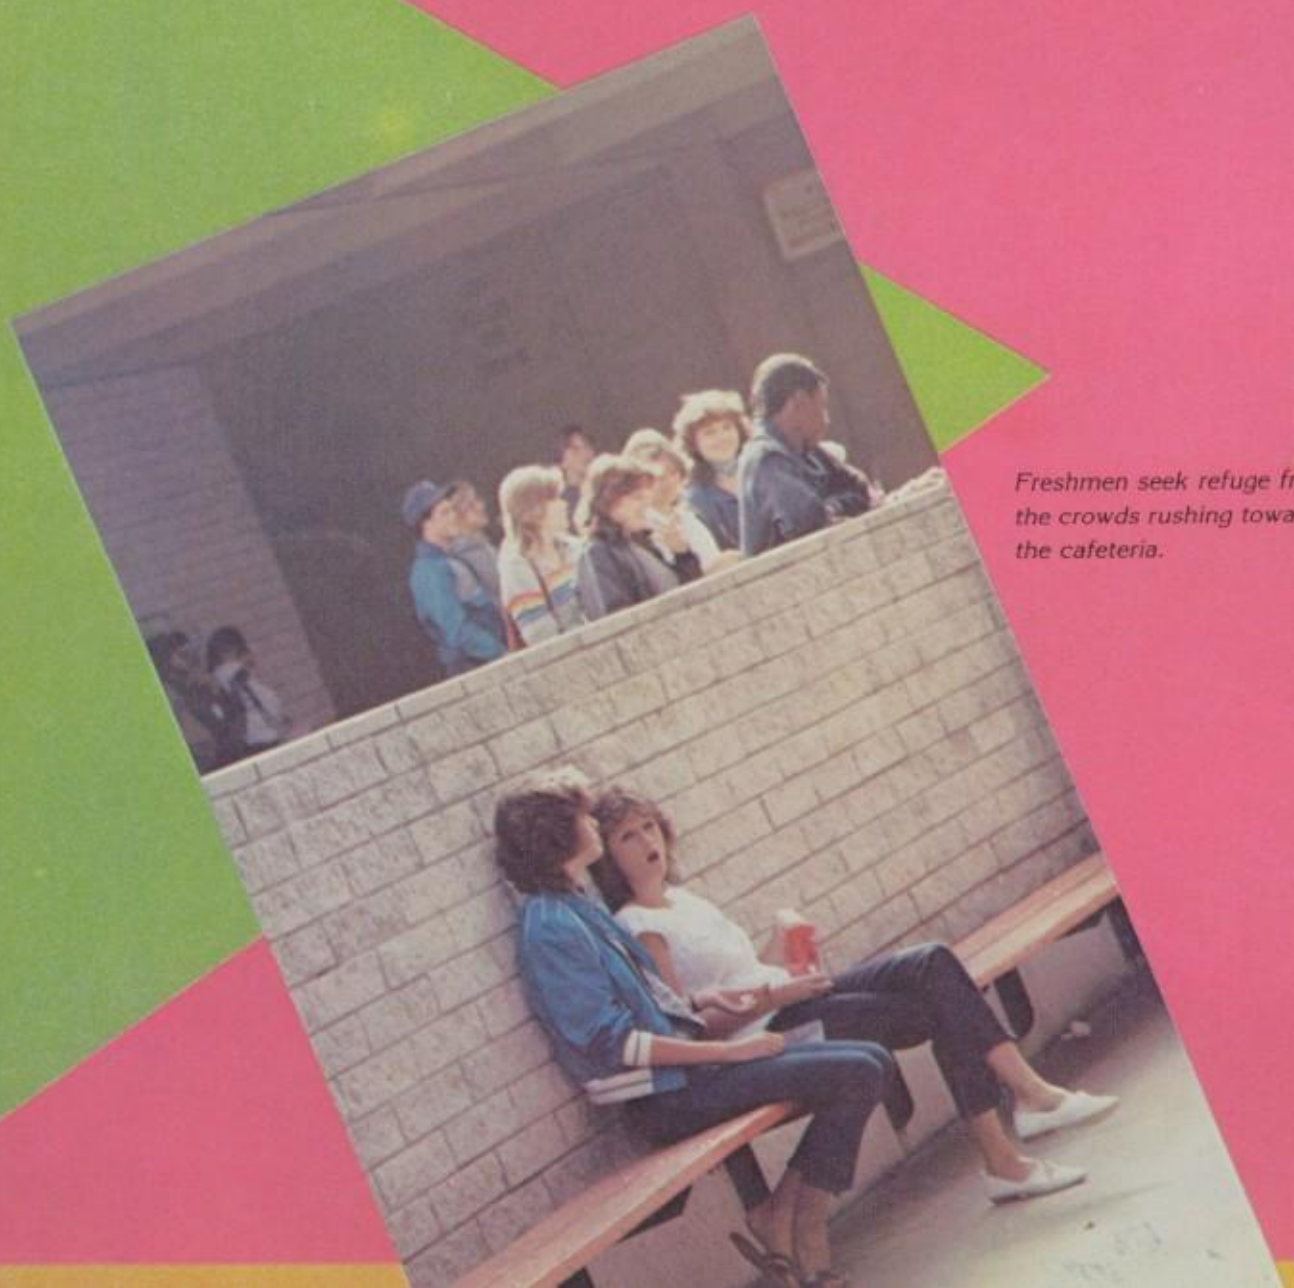
Foothill boasts a variety of places where Mustangs can hangout when they have a little free time! Each social group lays claim to a specific territory in the fall where they discuss daily activities and exchange gossip. Shy Freshmen often meander in the safe cafeteria where they're near food and friends. It is not difficult to identify the "in" crowd or the so called "Trendies." Although some can be found sitting under the trees, most hangout on the now famous benches in front of the school. The skaters and punkers attempt to be inconspicuous, but are unsuccessful and can be seen almost everywhere. Others enjoy the quiet life of the library where one can, read, listen to music, or just kick back. People have different ideas about which place is the best hangout, but each group agrees that Foothill is the place to be.

Desirea Stockton, Michelle Heiman, Dorene Austin, and Kathleen Hanson show off in front of the school.



Freshmen seek refuge from the crowds rushing towards the cafeteria.

Renewed Spirit

The mighty Mustangs returned to school with renewed spirit and overpowering enthusiasm. The new rules for the rallies stressed unity in the individual classes and the entire student body. The Seniors dominated many rallies because of the previous year's winning record. The Juniors showed great class unity by dressing up for some rallies. Holding their own and staying involved were the Sophomores, who were a shining example to the Freshmen. The baby Mustangs exhibited enthusiasm with the help of the new freshman cheerleaders. They even rivaled some of their elders in many activities. Students demonstrated spirit in a variety of ways. Some joined clubs, others participated in student government, while most went to the rallies and games. As the year came to a close, that special brand of Mustang spirit still prevailed and gave Foothill "A New Look."

3. Overwhelmed by excitement after winning the first rally are Mike Gallagher and Chris Genera.

4. Arriving fashionably late are the coneheads, Larry Haselwood and John Maio.
5. Showing her spirit at the Homecoming rally is Sherrie Tyler. She has complete rally gear including balloon, noisemaker, lei, and American flag.

Friendships Old, Friendships New

10

At first, the sight of the unfamiliar frightened us all. The fortunate ones had friends to share the new experiences and felt somewhat secure. Taking the first steps into high school is always scary, but there is no way better to share it with than a friend.

No one ever forgets the first meeting between good friends. Maybe things weren't so great at first, but as the friendship grew closer, we began sharing things that we once considered confidential. But that's what a friend is for, someone to share with, laugh with, or even cry with.

Having a new look at campus life, we began to share secrets, pass gossip, and scope out all the latest prospects. Endless hours were spent laughing and talking about the new gorgeous senior or that outrageous brunette. Whatever the experience, it was always special.

Only four short years are spent in high school and it seems strange how the friends we make can mean so much and last forever.

1. Trevor Grant and John Maio have a friendly conversation. 2. Sophomores enjoy a break among friends. 6. Kim Killman and Lyndale Hullum share lunch time together. 7. Friends till the end are Kevin Templeton, Mr. Nelson, and Miker Gallagher. 8. Chris Genera and Joey Souvignier finish up some last minute homework. 9. Seniors enjoy time out for a picture among pals. 10. Angela Lloyd and Audrey Isenburg look over some class announcements.

Throughout the year, activities gave us a new look on the drudgery of everyday school life. Activities such as Homecoming, pep-rallies, class competitions, and Inter-Rami made school more than just paper, pencils, and books. They gave us a chance to see and be seen in new surroundings, and to have fun while showing our school pride.

A New Look At Activities

Mustangs Let Their Spirit Shine

Excitement prevailed as Foothill students displayed their pride during spirit week. In daily lunchtime competitions, Mustangs endeavored to achieve the points necessary to win the week for their class. The activities got off to a slow start, but by the end of the week there was hardly a Foothill student not involved with Homecoming in one way or another.

Midway through the week, on a chilly October evening, the traditional Homecoming Assembly was held in the gym. Talented Mustangs entertained the crowd and the Homecoming Court was introduced for the first time. Performances by "The Dreamers," Theresa King, and the Foothill Concert Strings were highlighted.

The week was brought to a crescendo with the pep rally and game on Thursday, where Mustangs dressed in orange and black to show their school allegiance. Competition was keen, but the junior class ultimately dominated, and won both the spirit stick and spirit week. The seniors were announced as the winners of the float competition with their entry "Gumby Graduates." Lagi Gaea was presented as the Homecoming Queen.

1. Nicole Pierce and Phil Grajeda of "The Dreamers" impress the crowd with their professionalism. 2. Sophomore Tony Riney enjoys the attention during the shaving cream pyramid competition. 3. Senior Robert Savage advertises his latest heart throb at the rally. 4. Juniors Shannon Lark and Michelle McGuire get "creamed." 5. The 1985 Homecoming court: (L. to R.) Freshman Escort Robby Newman, Freshman Princess Piranni Impliang, Junior Escort Chris Feltus, Junior Princess Audrey Isenberg, Senior Escort Tony Peck, Queen Lagi Gea, Senior Escort Stere Gurrola, Senior Princess Sandra Luster, Senior Princess Christine Dumlao, Senior Escort David Foster, Sophomore Princess Vicki Chernay, and Sophomore Escort Chris Brandon. 6. Junior Dana Ashcroft gets up close as she attempts to win the pie eating contest for her class. 7. With the help of Cassie Crooms, Robby Jones learns to chug "New Coke" from a bottle as his classmates cheer him on.

The Game That Almost Wasn't

Due to lack of interest on the senior part, the senior-junior powderpuff game almost wasn't played. But as the eventful day neared, just enough seniors signed up to form a winning, but last minute team. The class of '87 started off the long awaited game by scoring the first touchdown, when Dana Ashcroft caught an incredible interception and ran 15 yards for a score. At the end of what seemed to be a quick first quarter, the juniors were ahead, 6-0. But before long, the determined class of '86 evened the score with a 65 yard run for a touchdown by the impressive Carla Carter. Then, as the crowds cheered her on, Lagi Gea broke the tie with an effortless eight yard run for another senior touchdown. When the dust cleared, the final score read: seniors 12, juniors 6.

1. The powderpuff cheerleaders form a shaky but spirited pyramid. 2. Carla Carter pulls the flags from a sneaky junior. 3. Cheerleaders: R. Meras, L. Haselwood, J. Maio, F. Chen. Sitting: L. Hendricks, S. Luster, S. Tyler, L. Gaea, T. Rice, E. Pantis. Leaning: M. Gallow, D. Moore, C. Carter. Standing: Z. Moore, P. Hancock, E. Leger, R. Hernandez, P. Alexander, T. Mascoe, Coaches: V. Delgado, M. Rossi. 4. Front: J. Downing, S. Smith. Front row: M. Miller, D. Beeken, S. Todd, D. Ashcroft, C. Hennigan, S. Thompson, S. Vial, J. Hamilton, J. Tichauer. Second row: H. Ulrey, C. Brown, C. Ortiz, M. Sicotte, N. Melson, L. Lane, S. Powell, L. Freeman, A. Johnson. Back row: K. Carpenter, P. Doyle, C. Thompson, C. Genera, J. Souvignier, N. Orozco, D. Vargas, H. Newcomb. 5. Shari Haskell and Terrie Johnson cheer on the juniors side. 6. Holly Ulrey carries the ball for extra yardage. 7. The junior defensive line, Jennifer Hamilton, Julie Tichauer, and Stephanie Vial, pose for a quick shot by the Equi photographer.

Frosh Vs. Soph Classic Comes Up Scoreless

A warm, beautiful fall afternoon set the scene perfectly for the traditional freshman vs. sophomore powderpuff game. The rookie freshmen began the game by kicking off to the ready and waiting sophomores who were lined up on the opposite side of a dirty, chewed up field.

In the first half, Cadie Hall made a valiant effort at a touchdown for the sophomores. She failed only a few yards short of the goal line, however this did not dampen the spirits of the sophomores.

The sophomores then kicked off to the freshmen, beginning a fairly uneventful second half. Both teams sweated and struggled to gain yardage, but the seemingly endless battle resulted in a scoreless game. As the final seconds ticked away, the score still read 0-0.

1. Kim Williamson sprints downfield with the ball while Teena Reinolds races after her in hot pursuit. 2. Freshman cheerleaders strut their stuff at halftime. 3. Sophomore squad: Front row: Kelly Teinken, Peggy McElroy, Kim Brushia. Middle row: Cadie Hall, Kelly Newell, Jackie Soik, Joe Ramirez, Deanna Cruz, Natasha Smith, Tracy Martin, and Melissa Blair. Back row: Jason Wharton, Sheri Reed, Annette Lavinder, Kim Williamson, Shani Roberts, Vida Ferrand, Kendra Kitchen, Nichelle Williams, Wayne Bennett, Sabrina Phillips, and Susan Edmondson. 4. Sheri Reed, Susan Edmondson, Peggy McElroy, and Melissa Blair goof off for a few minutes before the doing battle in the big game. 5. Freshman squad: Front row: Kendra Wilson, Cindy Weathers, Dee Miner, and Jessica Wharton. Second row: Janean Bradley, Mike Renick. Third row: Teena Reinolds, Maggie Flack, Shawn Taylor, Jennifer Ausmus, and Stephanie Edwards. Back row: Jennifer Fletcher, Angeline Nichols, Michelle Tinkle, Beth Jones, Tina Fink, Tasha Martinez, Joni Valdez, Angie McCollough, and Jaime Megahan. 6. Angeline Nichols rushes toward the goal line, hoping to score.

Strategy's The Word

Outrageously spirited! These words aptly described this year's homecoming rally and game. Throughout the homecoming each class was pepping up their classmates, preparing for the big rally on Thursday. Each class had different ideas for showing their spirit. The freshmen showed theirs with colorfully painted signs, while the sophomores wore humorous propellered hats. For the seniors, the big thing was balloons, but winning it for the juniors were orange masks and top hats.

That night at the game, the enormous crowd was behind the team 100 percent from the kick off to the final gun. Both Varsity and Junior Varsity teams were victorious over the Rio Americano Raiders. The J.V. won 20 to 3, while the Varsity squad finished off the night by smashing the Raiders 35 to 14.

1. Cheerleaders exhibit their spirit with a daring pyramid. 2. Dave Foster breaks away to add six more points to the victory. 3. Freshmen help psych the team up for the homecoming game. 4. Jason Edwards holds the football in place as Greg Scrivner attempts to make the point after a touchdown. 5. Mike Gallagher and Sandra Luster help welcome new principal, Mrs. Steeg, during the homecoming rally. 6. Rowdy and rambunctious are words which describe junior excitement for their win at the homecoming rally. 7. Pam Jacobs sprayed her hair orange to show her spirit at the rally.

Wild And Romantic Gala Enchants All

And the winner is Lagi Gaea. The crowd cheered, and once again the Homecoming Queen was named. In spite of the theme, Versatility in the 80's, the dance was a romantic success. The enchanted mood flowed throughout the evening and set the pace as the couples danced the night away.

The royal court was announced during the dance, which included senior princesses Christine Dumlao and Sandra Luster, junior princess Audrey Isenberg, sophomore princess Vicky Chernay, and freshman princess Piranni Impliang.

The students were psyched due to the fact that our football teams defeated the Rio Americano Raiders earlier that week. All in all, the Homecoming Dance was a winner.

1. Derek LaDay, dancing to the music, enjoys the fun-filled evening. 2. A tired dancer smiles for the camera as she takes a rest outside. 3. Cindy Cagle rocks to the music during the air guitar contest. 4. Michelle Heiman and Michelle Hinkle watch the scenery as it passes by. 5. A romantic couple share a slow dance together. 6. Wayne Bennett and Greg Scrinver impress the crowd with their air guitar talent. 7. Derek LaDay and Marlene Payne show their friendship for each other for the camera. 8. Dancing the night away in a romantic mood are Pam Jacobs and Troy Agee. 9. Sophomores dance in crowds to make up for the lack of partners. 10. Freshman princess Piranni Implang and escort Robby Newman. 11. Senior princess Sandra Luster and escort Tony Campana. 12. Homecoming Queen Lagi Gaea and escort Tony Peck. 13. Rain and Rio Dampens Inti-Rami

Due to the havoc caused by the tremendous rain, parts of Inti-Rami were moved from February 18-21 to the following week. Inti-Rami spirit week and assembly were canceled, but the game, rally and dance were rescheduled. The juniors took possession of the spirit stick competition for the second time this year. The big game pitted our Mustangs against the third rank Rio Americano Raiders. The game was close all the way with both teams exchanging baskets. Foothill tried to catch Rio near the end, but their shooting faltered. The game ended up with Foothill losing 68-62. Strong play was turned in by Robby Jones with 20 points, while Chalo Luna and Jason Edwards each scored 10 points.

1. Chalo Luna goes up for a jump shot over a Rio Americano Raider. 2. Rio stares in awe as Greg Scrivner takes a shot. 3. Freshmen show the student body that they too have spirit. 4. The Inti-Rami crowd watches the game intently. 5. Troy Schafer scores two with percision. 6. Juniors wait anxiously for the announcement of the spirit stick winner. 7. The juniors display their spirit after winning the rally.

Men Are "King For A Day"

On Friday, February 28, 1986 at 8:30, the doors were opened for the 20th annual Inti-Rami Dance. The theme for the evening was "Dog Patch Days". The dating arrangement for this "Sadie Hawkins" type dance is always slightly different; gals ask guys.

The night air was cool, but Foothill's auditorium was hot while the Mustang's danced to the quick beat of KWOD 106. Later in the evening, the red carpet was rolled out as the Inti-Rami Royalty was announced. Inti-Rami King was Chris Hodge, Senior Prince was Paco Perez, Junior Prince was Jason Vernon, and Sophomore Prince was Joe Ramierez, and Freshman Prince was Andy DaCosta.

The night of "Days of Dog Patch" ended romantically as couples paired off for the last slow song.

1. Sophomore Prince Joe Ramierez and escort Karen Nungyen. 2. Single sophomores patiently wait to be asked to dance. 3. . . . Yo Baby, Yo Baby Yo. 4. Inti Rami King Chris Hodge and escort Rochelle Urban. 5. Allison Boydstun gets down to the beat. 6. Junior Prince Jason Vernon is presented to the crowd. 7. Romance and Royalty

The Firehouse in Old Sacramento was host to the first Junior Prom to go in the yearbook. Held on March 15, the Prom's theme was "In the Air Tonight" by Phil Collins and the bids were colored in sophisticated burgundy and silver. The dance was supposed to be held in The Courtyard, located outside, but due to cold weather, it was moved inside to a room entitled "The Golden Eagle Room."

Although the dance area was a little small, there was a room adjacent to it where pictures could be taken and couples could sit and relax on beautiful antique furniture. Many couples dined in the Firehouse restaurant before the dance, and the Firehouse staff also catered the Prom with a variety of desserts and beverages.

KWOD 106 assisted the Juniors in dancing the night away with a variety of music. As the clock rocked around to 10:30, the music died as royalty lined up to be crowned. Junior Prom Princesses were: Allison Stoute, Shari Thompson, Audrey Isenburg, Heather Newcomb, Lyndell Hullum, and Prom Queen was Monique Sicotte. Prom Princes were: Jack Killman, Jason Edwards, Robby Jones, Steve Fernandez, Jason Vernon, and Prom King was Jimmy Burreson. Princesses were given roses and crowns, the Queen with the most elaborate crown, and princes were given scepters. The King was given both a scepter and a crown.

The Junior Prom was chaperoned by Judy Steeg, John Parks and his wife, Don Wilcox, Gail Berberian, Judy Stammerjohan, Vicki Giannetti and her husband, Dennis Fox, and "Mr. Old Faithful" — Tony Allmond.

The romantic evening traditionally ended at midnight with a final slow song.

Unfortunately, the Senior Ball was scheduled too late in the school year for the yearbook staff to include it in the book. The Senior Ball was held at The Grand Island Mansion on the delta in Isleton. The theme was "These Dreams" by Heart and the bids were colored in an elegant white and gold. Senior Ball Royalty was as follows: Princesses Cindy Powell, Carla Carter, Phaedra Alexander, Christine Dumlao, Robin Tinkle, and Kathy Perry. Princes were Larry Haselwood, Tony Campana, Fulton Chen, Chris Hodge, John Maio, and Kevin Templeton.

1. Juniors enjoy their special evening. 2. During the Junior Prom assembly, Shari Haskell, Deniece Vargas, and Heather Newcomb gaze at the studly "Joe Surfer." (Joe Souvignier). 3. The Dreamers entertain the crowd during the Prom assembly. 4. Elegant limousines wait patiently to chauffeur prom couples to and from The Firehouse. 5. Some of the Junior Prom Royalty: Jason Vernon, Allison Stoute, Jack Killman, Monique Sicotte, Robby Jones, Heather Newcomb, Steve Fernandez. 6. Juniors anxiously wait in line to give their receipts to Mr. Wilcox. 7. The official bid and keychain for the 1986 Junior Prom. 8. Couples pair off to enjoy a romantic slow song.

SHOWING THAT MUSTANG PRIDE

Through long hours of practice and hard work our 1985-1986 spirit leaders gave us something to be proud of.

Few of us realized just how much time and dedication these twenty-two girls spent preparing for pep-rallies, games, and competitions. Each dance routine and cheer had to be carefully choreographed, practiced, and synchronized before it could be performed. With the addition of five new freshmen cheerleaders, this task was made especially challenging.

The spirit, energy, and craziness (What else could wearing a short skirt on the coldest day of winter be called?) of our song and cheerleaders seemed to be catching this year. Although our games began with very little crowd support, by the end of basketball season, Foothill seemed to be coming alive with renewed spirit.

Frosh Spirit Leaders Gain Experience

This year, Foothill's spirit leaders donned a new look. The addition of a new five member squad did much to enhance the spirit of the Freshman class and the enthusiasm of the rest of the school.

The ninth-grade squad, the first in several years, was formed to give more experience to girls who will potentially become Junior Varsity and Varsity spirit leaders.

Besides cheering for Freshman football and basketball games, the freshman squad acted as extras for the Junior Varsity squad, participated in pep rallies, and attended several camps for cheerleading. The girls gained valuable experience that will help them in years to come.

A New Look For The New Book

The '85 Equi staff worked diligently during the school year to produce the best yearbook ever. Editors Julie Castleberry and Scott Stuckey provided the essential guidance and inspiration for the staff, which consisted of a good blend of eight veterans and eight rookies. Six of the staff members were fortunate enough to go to Santa Cruz to yearbook camp during August. While there Julie Castleberry won first place in the copy writing competition. Also, Traci Taylor and Deniece Vargas received honorable mentions for their cover designs.

This year's staff decided to break away from the traditional yearbook pattern and produce a completely different look with all new layouts. The senior picture was taken for the first time in full color. More pages were added to the junior, sophomore, and freshmen sections of the book, and a whole new section was conceived. Equi became more computerized this year thanks to the efforts of Mr. Murray, who assisted the staff in the organization of the sales receipts.

This past year Foothill's numerous clubs contributed to the school academically as well as socially. The clubs, consisting of the "cream of the crop" from Foothill, offered exciting activities and opportunities to learn and serve. The willingness to devote extra time to school activities and the enthusiasm of the students, as well as the advisors, was commendable.

A New Look at Clubs and Music

German Cuisine Delights All

Bright and early on Tuesday mornings, German club members could be found planning their next cultural adventure. Whether gorging during a trip to Scheidel's German Restaurant, or dancing the night away at a masquerade ball, club members always found themselves having a great time.

In order to raise money for these trips, members sold multitudes of German chocolate bars, lollipops, candy-filled advent calendars, and Gummi Bears for which the students of Foothill were eternally grateful. The club also featured Bingo nights and several German lunches complete with sausage, potato salad, and cheesecake. It is no wonder that the German Club is one of the largest organizations at F.H.S.

Mr. Ernst Dobbert, the club's sponsor, also offered the opportunity for students and club members to accompany him on his annual trip to Europe. Students taking advantage of this opportunity obtained summer school credits.

A Taste of French Culture

1

Blend culture, romance, food and fun, and what do you have? . . . the Foothill French Club!! Led by officers Christine Dumlao (President), Natalie Chernay (Vice President), Christine Lang (Secretary), Vicki Chernay (Treasurer), and sponsor Peggy Cohen, the club endeavored to explore the French culture through educational, but fun-filled events throughout the year.

Among the activities sponsored by the French club were trips to restaurants featuring French cuisine, pot-luck suppers, and several bake sales that introduced French delicacies to the students of Foothill. Other activities that proved to be successful, as well as monetarily lucrative, were Bingo nights and the ever-popular flower sale at Valentine's Day.

Parties and Piñatas

The Spanish club was very active this year. Members enjoyed a great Christmas party which included the traditional breaking of the piñata, a Mexican dinner at La Posta, and a lunch at Connie Keller's house, which gave students a chance to sample the delightful Spanish cuisine. Some members attended a bilingual play at Sacramento State College, while others attended a Spanish concert. The club raised money for their activities through various bake sales and by helping out on bingo nights. The students ended the school year with a big fiesta with several other clubs.

Active Minorities

Minorities in Action, a service and social club, was very busy this past school year. They attended the Black Student Union Convention in the big city of Los Angeles for the second year in a row. The Black History Week in March was also a big event for MIA members. Starting off the new year, the club held a membership drive in January. MIA provided a chance for students to learn more about minority ethnic backgrounds, to become involved in activities, and to form new and lasting friendships.

Preparing for leadership in the World of Work

Foothill's chapter of VICA, has been very active this year. Fundraisers such as a candy sale, and bingo nights helped members raise money to attend the Leadership Conference and Skill Olympics held in Los Angeles. This event gives students the opportunity to test and compare their skills with the skills of students from other schools. Last June, Foothill VICA sent 15 representatives to the National Conference in Phoenix, Arizona. The Club Business Procedure team had the opportunity to compete and brought back a bronze medal. With the generous support Foothill VICA receives, members are "preparing for leadership in the world of work."

California Scholars at Foothill

The 1985-86 chapter of the California Scholarship Federation had once more accomplished many diverse services for the community. This year's activities included trick-or-treating for UNICEF, serving as guides at Open House and Back-to School Night, providing refreshments at Fall Registration, visiting the Children's Receiving Home, and working on report card days. As a fundraiser, CSF sold M&M's, and senior members worked at bingo nights to help raise money for scholarships. Due to excellent leadership, new ideas, and one of the largest chapters ever, CSF was very successful.

1. CSF members eagerly sign up for activities. 2. Fall officers S. Stuckey, F. Chen, D. Oswald, Mr. Milton, S. Murray, M. Kress. 3. President Fulton Chen addresses the members at the beginning of a meeting. 4. CSF members ponder over new ideas. 5. Interested club members listen intently during a meeting. 6. Amusement fills the room during a CSF meeting. 7. Spring officers M. Kress, J. Whitman, G. Scrivner, D. Oswald, F. Chen. 8. Front row: A. Chapman, M. Kress, L. Solis, J. Mahoney, C. Helm, K. New and Improved

This was the Math Club's first really active year partly due to the enthusiasm of the members. Members learned a lot about math and the sciences through various activities such as their trips to the Lawrence Hall of Sciences and the exploratorium in San Francisco.

To earn money to pay for the trips and parties, many fundraisers were held including bake sales and bingo nights. Most importantly, members got the chance to use their math skills by providing tutoring to students having difficulty in math.

1. President Kathy Green leads a class discussion. 2. Vanessa Brown closes her eyes in excitement as plans for a future bake sale are discussed. 3. Front row: Lara Parks, Michelle McGuire, Andy Chapman, Jimmy Gingrich, Chris Genera, Rachel Chaney. Back row: Vanessa Brown, Maria Martinez, Kathy Green, Daniel Paul, Doug Headington, Brian Andrews, Mr. Reed. 4. Andy Chapman waits anxiously for the results of the bake sale. 5. Doug Headington, Jimmy Gingrich, and Brian Andrews listen attentively at a club meeting.

Bugs and Beakers

Following in the tradition of previous years, the Biology club was once again highly successful. A hiking trip along the American River, and a trip to the San Francisco Zoo were just two of the many events planned throughout the year. The excursion to the San Francisco Academy of Sciences proved to be especially educational.

Bingo nights funded the club's trips. These trips were supervised by faculty advisors, Ms. Dixon, Mrs. Chilcott, Mr. Asher, Mr. Smith, and Mr. Fox. President Michael Ayers, Secretary Christy Stevens, and Vice President Michelle McGuire worked hard to plan exciting events and promote overall enthusiasm.

1. Michael Ayers teaches the muscles of the chest to Ann Jackson. 2. Fulton Chen and Mardi Huckabee work diligently on a lab exercise. 3. Front row: Shari Haskell, Mardi Huckabee, Allison Boudstun, Lani Hendricks, Elaine Leger, Nancy Hendricks, Macerana Garay, Julie Shrum. Middle row: Stacy Johnson, Cheryl Johnson, Chris Genera, Deniece Vargas. Back row: Heather Newcomb, Jennifer Kuehner, Danika Oswald, Todd Irwin, Doreen Ireton, Christy Stevens, Fulton Chen, Joey Souvignier, Michael Ayers, Bobby Chen, Steve Goble. 4. Mr. Asher shows the results of one poor student who didn't turn in his homework to the biology class. 5. Fulton Chen leads a discussion about the next field trip.

Creative Writing Club

The Creative Writing Club consisted of people with a common interest in writing stories and poems. Giving advice, reviewing writing, and sharing ideas were just a few of the things that they did throughout the year. Also, the members of this club were the creative and intelligent minds behind the production of our creative writing magazine.

1. Andy Chapman looks for ideas for a story. 2. Shellie McGuire takes the minutes for the meeting. 4. First row: Stacey Paulk, Ron Avants, Shielah Tucker, Mike Ayers, Ms. Vorce.

Key Club Keeps Active

From September to June, the Key Club was involved in numerous activities on campus and throughout the community. President: Tracy Webber; Vice President: Vicky Baum; Secretary: DeLois Merenda; Treasurer: Randy Schultz; and Advisor: Mr. Lopes, worked together to organize club meetings and events. The Key Club helped the community by washing dishes at a Thanksgiving dinner for elderly people, by participating in the Jerry Lewis telethon, and by assisting with an Easter egg hunt for young children. Not only did these energetic members help the community, they also participated in events on campus.

EOP Reaches Out

The Educational Opportunity Program was finally an official club on the Foothill campus. Previously, the organization was only a program offered by the University of California. Designed to assist college bound students from minority and low income families, this year's officers decided that more students could be reached if EOP was a Foothill club. Because the club was just beginning, most of the activities were centered around fundraising. Three car washes, a yogurt sale, and a candy sale were a few of the events.

1. Advisor Mrs. McFadden explains the UC Davis requirements to interested EOP members.

2. Lyndale Hullum and Cora Hullum discuss their college plans with Mrs. McFadden. 3. Front row: Lyndale Hullum, Cora Hullum, Arvern Lofton, Mrs. McFadden, Marcel McClain, Laura Gaea. Back row: Lagi Gaea, Alyssa Gibson, Tammi Givens, Brian Buick. 4. Brian Buick and Marcel McClain chat before the EOP meeting begins. 5. Using the computer, Lagi Gaea searches for answers to puzzling questions. 6. Front row: Mardi Huckaby, Ms. Tina Durham, Cheryl Johnson. Back row: Carla Nemeth, Audra Benitez, Michelle Rousey, Lyndale Hullum. 7. Mardi Huckaby fakes injury while Michelle Rousey practices her medical skills. 8. Vital Signs

Promoting good health was the primary goal of the Future Health Professionals. Designed for students interested in health careers, this new Foothill club contributed to the community while it simutaneously prepared its members for their future occupations. Advised by the school nurse, Ms. Tina Durham, the ten industrious members kept active by assisting in blood drives, providing vital sign checks, and touring Sutter Memorial Hospital.

In The Beginning . . .

Foothill's Beginning Instruments class was made up of both rookie players who had never had music before, and veteran band members who wanted to learn new instruments. Although the year started with a few sour notes and strange rhythms, hours of practice turned the novice group into a skilled ensemble.

Concert Band

The Foothill High Concert Band is made up of many multi-talented students. Musical freshmen who wanted to go further in music could audition for Wind Ensemble. Concert Band members ranged from freshmen to seniors.

This year the Concert Band was graced by the talents of a student teacher that could handle this band with the greatest of skill. One student summed Mr. Paddock up in a word "cool". He was under the direction of our own highly skilled teacher, Mr. Adam.

1. Dan Wally toots his own horn. 2. Horace Blackman and Joe Peck concentrate on their music. 3. Front row: Trista Willock, Stephanie Edwards, Kendra Kitchen, Kirstie Nelson, Jennifer Browitt, Carrie Emerson, Yvonne Hollingsworth, Maggie Hanson, Cheryl Clark, Jennifer Neff, Terri Lisman, Alison Sanchez, Beth Fenton. Prestigious Ensemble

This year, the Contemporary Strings Ensemble performed for several of the local elementary schools, and they also performed at a Christmas show for handicapped children at Bella Vista High School and a "Toys for Tots" show at Country Club Centre. Music festivals included the Capitol Section CMEA Jazz Festival, the Grant District Music Festival at Arco Arena, and the American River College Community Days Jazz Festival. Trips to Disneyland, Universal Studios, the Queen Mary, and the Spruce Goose were enjoyed by all. For the CSE, the year of performances concluded with the annual Pops Concert at Foothill.

1. Gina Swankie sight reads new music. 2. Mr. Lopes works CSE members hard during rehearsal. 3. Bottom row: Nicole Pearce, Jenny Thomas, Tracy Weber, Vicki Baum, Connie Kellar, Anne Cuthbert. BUSY YEAR FOR CSE

The honorable Wind Ensemble of Foothill High is composed of many gifted musicians. This group is under the direction of Mr. William Adam, who was assisted by Mr. Jack Paddock. This year they traveled to San Jose where they received excellent scores for their performance. Music students must audition and have at least one year of Concert Band in order to perform in this prestigious ensemble.

1. Michelle Hoffman perfects her sound on the oboe. 2. Clarinet players try to toot in unison. 3. Front row: Michelle Hoffman, Cheryl De Lange, Ted Sessions, Andy Chapman, Maureen McPherson, Leissa Jahn, Terri Johnson, Michelle Ferry. Second row: Stacey Paulk, Ty Miller, Kathy Hansen, Lee Davis, Mark Bigelow, Mike Blackwell, Ian Justman. MARCHING MELODIES

As expected, the Marching Band had an exciting year. Not only did they entertain the half-time crowds at the football games, but they also marched in various parades and placed well in competitions. The band only competed in street competitions this year, but most band members thought that that was just fine.

Michelle Allen took third place in her drum major competition, majorettes, Peggy Kinman and Bonnie Quinn, took first place in their duet competition, and the band placed second overall. Throughout the year the Mustangs continued to play well and represent Foothill High School with style and skill.

1. The Marching Band dazzles the half-time crowd with their musical talent. 2. The Mustangs play an upbeat tune to show their spirit. 3. Front row: Peggy Kinman, Michelle Allen, Carol Quinn, Lynda Hart, Michelle Ayala, Mr. Bill Adam, Bonnie Quinn. Second row: Sheryl Delange, Kristie Nelson, Lisa Jahn, Maggy Hanson, Lara Parks, Tami Snyder, Cindy Delgado, Cynthia Lower, David Impson, Alison Sanchez, Terry Lisman, Greg Kullaffa, Scott Sylke. Third row: Michelle Ferry, Matt Calvert, Andy Chapman, Joe Pastrana, George Baird, Nathan Chance, Sheryl Clark, Brad Sullivan, Beth Fenton, Genita Lucky, Cathy Hansen, John Seamons. Back row: Ray Fernandez, Martin Seamons, Terry White, Mark Bigelow, Ty Miller, Stuart Clark, Brian Beckman, Ted Sessions, Brian Clayton, Richard Beaster, Brian Hinkle, Tom Reiner, Tom Shiebelhut. 4. Ted Sessions and Cathy Hansen watch for cues from the drum major. 5. Matt Calvert and Tom Reiner play a duet on the bell lyre. 6. The brass ensemble belts out a favorite tune. 7. Peggy Kinman impresses the crowd with her twirling talent. 8. Precision drills are executed by the band as they perform at half-time.

Bleacher Band Bums

Those people who attended any of the basketball games this season wondered who the musicians responsible for the upbeat music were. Well, they were the members of the Foothill Pep Band. These dedicated students volunteered their time to practice and perform for the crowds. The Pep Band made athletic events fun by punctuating the spirit leader's moves and entertaining us during half time. Although they were in small numbers, they didn't have a problem blowing the roof off of the gym whenever they played.

1. Pep Band members try to get the crowd's spirit up at a basketball game. 2. Kathy Hansen, Ty Miller, and Glenn Crownover play Foothill's fight song. 3. Front row: Tom Reiner, Glenn Crownover. Second row: Scott Sylke, Andy Chapman, Mark Bigelow, Ty Miller, Kathy Hansen. Third row: David Impson, Matt Calvert, Eric Eccles. Back: John Seamons. Standing: Brian Beckman. Drums: Genita Luckey. 4. The Pep Band rehearses for an upcoming game. 5. Beth Fenton and Alison Sanchez share music.

Plague!

A Merciless disease swept through the Foothill campus and infected the entire class of 1986. What was this terrible and dreaded sickness? **SENIORITIS!** None of the upperclassmen were safe. By spring, the telltale signs of this affliction could be seen in every senior. The classic symptoms included: Severe swelling of the ego, a rash of class cutting, mysterious absences, an unexplained drop in academic class loads, a neurotic fear of failing civics and psychology, and a strong desire to keep senior lawn free of parasitic underclassmen.

Interestingly, senior activities, such as class meetings, the Senior Ball, college workshops, and continuous victories at the rallies only aggravated the senior virus. In mid-May, the disease rose to new heights as the magical day in June approached. Increased hyperactivity caused many Seniors to regress to their rowdy freshman days. Running in the halls and even playing tag were common sights. This malady which had ravaged an entire senior class for an entire year was miraculously cured the moment the seniors walked off the stage with their diplomas in hand.

Truly Tahitian

At the young age of three, Erika Petersen began taking private Hula lessons until she was six years old. Because Erika's family is Hawaiian, she then joined Hui O Hawaii of Sacramento. This cultural club teaches members Polynesian dancing (Hula and Tahitian combined) and also how to paddle outrigger canoes at Beals Point over the summer.

Erika has performed several solos for Foothill at assemblies. The money she earns goes back into the organization to purchase costumes, canoes, and to have Luaus.

Erika also participates in Tahitian dance competitions. Erika has placed twice — once for 2nd place, and once for 3rd. She was awarded trophies and prize money.

As if this is not enough, Erika has competed in several pageants: The California Pageant, where she was 2nd runner up, The International Pageant in Dallas, Texas, and The Miss Teenage Galaxy Pageant, where she was crowned first place.

Erika was a songleader for Foothill this past year, and after college, she plans to pursue a career in fashion design or modeling. Erika's talent was a great addition to the uniqueness of Foothill and the Senior class.

Bound For Broadcasting

At the end of the 1985 school year, Julie Castleberry, Derrick Lane, and Thom Flowers signed up in the career center for Television Regional Occupations Program (R.O.P.). After being accepted into the morning class from 8:15 am to 10:15 am, Julie, Derrick, and Thom began an exciting school year with students from other schools in television R.O.P.

As the year progressed, these three students participated in such assignments as photo essays, dramas, commercials, and interviews. All of this training was leading up to one thing — "New Generation". This half hour program on channel 10 aired at 6:30 a.m. on Sunday mornings. Derrick Lane operated a camera, Thom Flowers operated the audio booth, and Julie Castleberry hosted interviews and was also an anchor for some news segments.

"New Generation" was prerecorded on Thursday and Sunday nights. The show consisted of two 15 minute segments — one interview segment, and one news segment about school and R.O.P. related activities. Several other students from different schools also participated in the taping of the show so that Derrick, Thom, and Julie did not always dominate the set.

Also, Julie received an internship (trainee position) in the newsroom at Channel 13. She assisted the crew in assignments and stories while learning about their profession. All three students plan to pursue a career in television.

Top Model

Stacey Johnson, an eighteen year old Senior who attended Foothill, started modeling when she was fourteen. She began at Barbizon Modeling School, which helped to teach her poise, makeup, and technique. She also made her own contacts while doing fashion shows.

Stacey has done numerous photo shoots and her portfolio has an approximate value of $700, which increases as more photos are added. She has also done numerous modeling shows, (including one at I. Magnin) newspaper ads, some shows at the Sacramento Inn, and a Pepsi-Cola promotion. She has been offered a job in Milano, Italy, which she reluctantly declined.

Stacy hopes to go into more commercials and prints. The salaries for these jobs vary from $10 to $150 an hour. Her current agency is Top Models, located in San Francisco. In the future, Stacey plans to attend college to study psychology, but she also plans to continue modeling part-time while living in either New York, San Diego, or San Francisco.

A Job Well Done

The Class of 1986 had a lot of help and support, which made school more fun and prepared us for life in the adult world. Mr. Earle and Ms. Dixon devoted four years of hard work and dedication to benefit our Senior Class. They helped with various activities including organizing Powder Puff teams, supervising at the Senior Ball, and assisting at Graduation. Mr. Gittens advised us on class schedules, senior deadlines, credits for graduation, and college information. Thank you for your dedication and a job well done.

1. Mr. Gittens works hard on a senior's schedule. 2. Mr. Earle flashes his pearly whites. 3. Keeping it all together, Mrs. Dixon finishes up for the day.

Class Rings — A symbol of Style and Spirit

Class rings once again donned the hands of many students at Foothill. Although rings had not been very popular over the past few years they made a stylish comeback for women. The conventional rings were similar to men's, but were smaller, more delicate and decorated with birthstones and diamonds. The men's styles hadn't changed much except that there were many more options to choose from. One was able to select from several different cuts, clubs, music designs, and various metals. The age old rituals of exchanging rings between sweethearts was still in practice. This symbolic gesture occurred many times throughout the year, sometimes with the same ring. All in all, the return of wearing and exchanging class rings is a welcome tradition at Foothill.

Junior Year

Well, the summer's finally here,
And our Junior year was fun,
Although that time was dear,
Our fun is in the sun.

All the quaint memories,
Are now packed away,
And made into stories,
To tell someday.

All the good times we had
Like dances, pep assemblies, and
Lunch for four.
Those were some of the good times,
But there are many many more.

And then the bad times, too;
Like defeat, arguments,
And the dumb things we do.
All the happy and the sad,
With the sad among the few.

This year we went through a lot,
Some new and some old,
But boring it was not.
Juniors will treasure this year like gold.

"But Mr. Munyer — I can't find the answer anywhere," says Andy Waugh.

For those who don't pass their driving test, there's always the good ol' bike for 30 more days.

Road Warriors

Twice a year it happens . . . driver's training begins, sending terror into the hearts of the population surrounding Foothill. Who are the majority of these drivers? They are sophomores, newly armed with deadly weapons, taking the lives of every man, woman, and child into their hands.

These drivers can be seen showing off their newly-found "weapons" almost everywhere . . . parked at malls and fast food parking lots, driving on sidewalks, stalled at intersections, and driving the wrong way on one-way streets. One cannot feel secure anywhere.

In all seriousness, most of the drivers do come out of the course as fairly decent drivers. Driving instructors mold their pupils with praise, careful instruction, and threats when necessary.

We can all relax for awhile when driver's training finally comes to an end. A welcome feeling of relief overcomes us as we realize we can once again walk the streets of our neighborhoods without fear; but beware, there are more inexperienced sophomores out there waiting for their chance to learn how to drive!

What was your most embarrassing moment at FHS?

Vicki Chernay — When I was a freshman I almost got trashed!

Maureen McPherson — I tripped down the steps twice going to lunch.

Anna Pozdyn — When I fell off my chair and flat on my behind in ceramics class.

Tami Givens — I bumped into a pole between classes.

Margo Radden — I fell and rolled down the hill next to the gym.

Alyssa Gibson — I fell asleep in class and didn't get my homework done.

Memories of Food In the Fast Lane

It's 10:50 A.M. The lunch bell has rung and the first shift of ravenous Mustangs stampede into the cafeteria. Several lines begin to form; two for a full meal and two for á la carte. As stomach rumble and change drawers slam, hundreds of students attempt to satisfy their cravings. Cinnamon rolls, sandwiches, and burritos were among the most common purchases. If that wasn't enough, a full meal was also available. Before and after school, as well as during lunch, one could also observe an almost comic assembly of hungry Mustangs at the snack bar. As three separate lines wound among the picnic tables, impatient students attempted to cut in line. Sometimes succeeding, but usually failing, these anxious Mustangs eventually obtained their punch and candy bars. These "nutritious" items provided the valuable "brain power" for many hundreds of students, to carry on through the rest of the day.

Those ravenous Mustangs pile into the cafeteria to wait in line for lunc

Dampened Spirits at F.H.S.

As if being a freshman weren't bad enough, the rainy season hit Sacramento . . . and unfortunately for the ninth-grade the "wet-look" was no longer in style!

It is generally understood by the superior classes that freshmen should not be given the privilege of walking under the roofed-in areas on drizzly days. After all, there is only so much room under the shelters, and upperclassmen cannot be expected to walk in the rain. (Sophomores can often be seen walking around in the halls half soaked).

Besides having to walk in the rain between classes, the freshmen were inconvenienced by having their lockers under the leakiest sections of the roof. Freshman Melody Perkins once commented, "It's not so bad . . . when it rains we just do the backstroke!" This comment was only a mild understatement.

Everyone can sympathize with the plight of the freshmen. We've all been there, and we've all suffered because of it. This year's Freshmen can be relieved now that their sophomore year is approaching — but next year's ninth-grade had better pray for a dry spell.

Locker Jam Blues

Throughout the year, mass confusion and frustration was common around the freshmen lockers. The young newcomers were faced with the dilemma of sharing one locker with two, sometimes three, people.

Between classes the major task was to get the needed things out of the locker and the unneeded things into the locker without everything falling out. This was quite a task to accomplish in five minutes, but most freshmen had mastered this feat by the end of the year. Several positive things resulted from the locker problems though — many members of the freshman class became closer (literally), and everyone learned how to share!

Making It Happen

After the cheers died down and the fans filed from the stands, only the Mustangs records were left to re mind us of the 1985-1986 sporting year. But when all the games were over, the people were what made the sports happen. The fans, the players, the coaches, and the parents all made the Mustangs' sporting year what it was, great!

Destiny Denies Mustangs A Playoff Berth

The '85 season looked very promising for the 'Stangs and they were hoping for a playoff berth. The players were extremely confident due to the outstanding senior talent and the well-coached juniors coming up from the J.V. At the beginning of the season, wide receiver and defensive back John Thompson said, "We have the talent for an explosive offense and enough brute strength to form a competitive defense. I think that these qualities should make for an intense and exciting season." But, during the opening game against the highly ranked Roseville Tigers, the 'Stangs suffered their worst loss. This showed the young team's inexperience which plagued them in the beginning of the season. After three games, the Mustangs had only made one offensive touchdown. Finally, against Oakmont the offense exploded, scoring four touchdowns and rushing for 312 yards. The next week in the opening conference game, El Camino won the game during the second half. Even though they lost their first conference game, the 'Stangs came very close to a playoff berth. Their playoff chances depended on a win by El Camino over El Dorado in the last game. However, a tie left the Mustangs in third place. Some of the outstanding players included Mike White, Dennis Van Dyke, David Foster, Eddie Gouveia, and Rick Bassinelli.

1. Front row: G. Hart, M. Blackwell, S. Powell, J. Edwards, D. VanDyke, R. Bassinelli, E. Gouveia, F. Negri. 2nd row: R. Soik, K. Templeton, D. Foster, J. Burrelson, J. Ankor, S. Fernandez, E. Wide receiver John Thompson rests on the sideline while the defense struggles to get the ball back. 3. Concerned players watch the action during a crucial fourth down. 4. The mighty Mustangs thunder onto the field. 5. Jason Edwards hands off to Chris Feltus while Brian Sarrels sets up a block. 6. David Foster attempts a block in a broken play. 7. Greg Scrivener, Keith Morison and Chris Feltus listen to coach Negri's advice.

Sophomores Stomp Their Way To Success

Stomping their way to success, the Sophomore football team just barely fell short of being the second J.V. team in the history of the school to go undefeated. Nevertheless, the sophomores trampled nine of their opponents, only to be defeated by the Mira Loma Matadors. The strong coaching of Frank Damico and Phil Ringer contributed greatly to the success of the team, but it was the commitment of the players that brought them to their ultimate victory. Coach Damico commented, "The team vastly exceeded expectations. They made a commitment from the start to be dominant, and they followed through." The outstanding 'Stangs were led by team captains Brett Catanzaro, David McDonald, and Jim Jaggers. The team consisted of all sophomores except for three freshmen. All of the players worked together to achieve an impressive and successful 1985 season.

Pain But No Gain

Slightly overconfident about their abilities, the freshman football team began the 1985 season with visions of overwhelming victories. This bright outlook soon dimmed, however, as the season got underway. Playing well, but struggling for every score, the young Mustangs were unable to record a win until late in October. Despite the losses, the team managed to keep their spirits high. Coaches Ed Soto, Gary Hicks, and Don Soto pushed the freshman squad, forcing them unmercifully to concentrate all their energies on football. Three players, Kit Pebley, Randy Jones, and Jason Eshleman, showed great potential for leadership on next year's J.V. team. Team member Steven Grewell summed up the year when he said, "It didn't matter that we lost most of our games, the experience we gained will benefit us in years to come."

1. Front row: J. Ellis, A. Summers, B. Jones, K. Pebley, J. Eshleman, B. Cuddy, B. House, D. Scott, S. Wood, C. Labay, M. McClean, J. Mayberry. 2nd row: J. Riley, C. Corsi, S. Majors, S. Grewell, C. Marroquin, S. Faulkner, J. Irish, C. Fore, C. Vial, R. Lorres, B. Boden. 2. Brian Buick and Jason Eshleman prepare to crush the opponent. 3. Mark Fuse goes for the touchdown. 4. A Mustang smashes through the Miro Loma defense. 5. Randy Jones receives a punt. 6. Keeping a close eye on his opponent is Richie Lorres. 7. Freshmen players make an end run. 8. Jason Eshleman sprints down the field for a first down. 9. Going for that winning field goal is Richie Lorres.

Close But No Cigar

When the varsity soccer year opened early in September, the outlook for the season was hopeful. With most of the team returning from last year, a T.O.C. berth was in sight. However, the local media named the Mustangs "the sleeper of the C.V.C." and predicted that they would finish no higher than fifth out of seven teams. After a 1-1 preseason, the Mustangs lost their opening game to the top ranked El Camino Eagles. At midseason, the team had a discouraging record of 2-2-2. The T.O.C. picture appeared dim, yet the team was motivated after beating Rio Americano, who were ranked 6th in Sacramento. With this encouraging win under their belt, the Mustangs challenged the undefeated El Camino Eagles and left them with their only tie. A T.O.C. berth was now within their grasp.

The Mustangs won their next three games, but were left disappointed with losses to Encina and Rio Americano which destroyed their chance for a T.O.C. berth. Although the season ended with losses, the underestimated Mustangs had proven to themselves, the media, and other doubters that they could "stand with the best of them" with skill, determination, and pride. Shawn Smith led the offense with ten goals, and Jim Piper kept the defense in line throughout the season.

1. As the last line of defense, goalie Jason Vernon reaches for a high shot. 2. Shawn Smith prepares to cross the ball to waiting teammates. 3. Dribbling the ball up field, Scott Haselwood, confronts an Apache. 4. Jim Piper concentrates on clearing the ball. 5. Bruce Thomas gets the edge on a Rio Americano Raider. 6. Back row: Coach Gil Pinto, Dave Belcher, John Rizzardo, Chris Hodge, Leo Hamel, Tony Martwick, Larry Haselwood, Sean Glenn, Jack Killman, Jim Piper, Bruce Thomas. Front row: John Downing, Shawn Smith, Kevin Gregery, Victor Dumlao, Fulton Chen, Scott Haselwood, Chris Genera, Bobby Chen, George Valas, Mike Restivo. Front: Jason Vernon. 7. Jack Killman steals the ball from an Encina Apache. 8. Taking a shot on goal is Tony Martwick. 9. Larry Haselwood rushes to aid Chris Hodge with the ball.

Gaining Experience For Varsity Soccer

Considering the fact that this was the first year that Foothill has fielded a J.V. soccer team, they had a superior year. The program will allow players to gain more valuable experience needed to play varsity soccer. Because of this, the outlook for next year's varsity squad looks promising. Coach Warton said, "The team played much more strongly than I expected and performed well as a team rather than as individuals." Left wing, Dave Medcalf, lead the team with 28 goals and defensive player, Matt Colby, did an outstanding job holding opposing goals to a minimum. In the final game of the season, the Mustangs put up a real fight to defeat Rio Americano, but ended in a 4-4 tie. Their overall record for the season was a terrific 8-3-1 and they ranked third in their conference.

1. Tom Taylor aggressively fights for the ball. 2. Dave Medcalf leaps into the air to control the ball. 3. Jason Warton tries to kick the ball to waiting teammates. 4. Sean Klausner dribbles up the field. 5. Wayne Bennett maneuvers through Rio's defense to score. 6. Front: Daryl Ganas, Front row: Greg Ortiz, Wayne Bennett, Doug Headington, Kieth Devisser, Rendal Johnson, Tim Frost, Steve Mitchell, Brian Herold, Brian Howes, Back row: Jason Warton, Matt Colby, Bill Esparza, Tom Terrez, Dave Medcalf, Joe Ramirez, Sean Klausner, Dan Murphey, Tom Taylor, Steve Kinsey, Adrian Hinson, Coach Don Warton. 7. Joe Ramirez brings the ball under control while a defensive player expects to be juked. 8. Always eager to score, Dave Medcalf out maneuvers the opposing team to go on and challenge their goalie.

Unity Prevails

"This is the best volleyball team Foothill has had in years," commented Pat Hancock about the varsity squad. Over half the team consisted of returning players. The team started out strong, winning the first three games, then fell into a slump after losing to Mira Loma. Though inconsistent, they had an overall good year. They won 3 out of 4 non league games and tied for 4th place in preseason play. Phaedra Alexander said it best when she stated, "A major reason for our success is that everyone got along well with each other and with Coach Jacobsen."

1. Carla Carter goes up for a block. 2. Executing a powerful serve is Pat Hancock. 3. The front line scrambles to keep the ball in play. 4. Tanya Lewis and a teammate attempt to block in unison. 5. Diving to save the ball, Allison Stout gives it her all. 6. Clockwise from center: Carla Carter, Dawn Baird, Derica Moore, Tanya Lewis, Allison Stout, Zerica Moore, Dana Ashcroft, Tessa Jackson, Paige Mendonca, Phaedra Alexander, and Pat Hancock. 7. Tanya Lewis and Phaedra Alexander make a last ditch effort to save the point.

An Up and Down Season

Although they didn't win many games, the J.V. volleyball team kept their sights set high throughout the 1985 season. Coach Rogers commented, "This is one of the finest teams Foothill has ever had. It's too bad their record doesn't indicate it." With only three returning players, the young mustangs had a rough time learning how to play together. Lack of team work, and the fact that they were in a tough league, accounted for the squad's early losses. By the end of the season, however, they had made vast improvements and managed to record a few wins. Gretchen Lowell and Shannon Lynch were outstanding players who will take their expertise and experience with them when they move up to varsity.

1. Jodi Mehl executes a powerful serve. 2. Shannon Lynch and Teresa Hoover lunge to return a difficult shot. 3. Waiting to join the action, squad members cheer on their teammates. 4. Reaching for a high return is Michelle Murray. 5. Two against one, Shannon Lynch battles the opposing team. 6. First row: Richard Rogers, Angela Carter, Natalie Taylor, Debra Mitchell, Robert Curtis, Teresa Hoover, and Roxanne Lawrence. In car: Gretchen Lowell, Midori Price, Shannon Lynch, and Jodi Mehl. 7. Coach Rogers gives Gretchen Lowell, Michelle Murray, and Roxanne Lawrence a pre-game pep talk.

Mustangs Struggle To Stay Even

This year's record for the 'Stangs was much better than last season's due to outstanding junior players. Many juniors were starters and they usually dominated the games. At the beginning of the year, the Stangs were confident that they would have a winning season. However, during the early season tournaments, the team fell short of their expectations. After a close game with El Dorado, Chalo Luna commented, "Our record didn't show our true talent and because of bad decisions many games were lost by a one or two point margin."

The highlight of the season occurred during the Casa Roble Tournament when Foothill came from behind to beat the highly touted Highland Scots who were favored to win. It took the 'Stangs two overtime periods to upset the Scots and bring home the winning trophy. Next year's squad will almost certainly be an exceptional team and will try to improve their skills during the summer league.

So-So Season For J.V.

The J.V. basketball team didn't do well overall this season, but the players gave it their best shot. Sometimes they did a really good job stomping their opponents, but other times they just seemed to fall apart. Coach Inderbitzen said of the team, "All the effort was there, they just couldn't get it together." The main problem this season seemed to be inconsistency. When the team was hot, they were really hot, and then they weren't it was disastrous. Joe Ramirez, one of the players, said, "Although we had all the pieces to the puzzle, we just couldn't get them all to fit together." After this year's so-so season, the team hoped to do better next year.

1. Concentrating intently, Michael Vaughn puts up the ball for a free throw. 2. Myles Tsusaki successfully goes in for what appears to be an easy lay up. 3. After racing down the court, David Dolde scores for the Mustangs. 4. The team huddles around the coach for some advice during a time out. 5. Poised in his own unique manner, Wayne Bennett shoots a free throw. 6. Jeff Barnhart prepares to score on a free throw. 7. Crowded by his opponents, Michael Vaughn struggles to keep the ball in play. 8. Back row: Matt Colby, Joe Ramirez, Sean Faulkner, Jeff Barnhart, Earl Smith, Jason Wharton Front row: Myles Tsusaki, David Dolde, Wayne Bennett, Ryan Streeper, Daryl Ganas, Brian Robertson, Michael Vaughn.

Gaining Experience As A Team

The freshmen basketball team, newly reinstated two years ago, had a fairly good year. Although they started off the preseason with a poor showing, the team hoped to fair better in the Capital Valley Conference opening game against El Camino. However, the freshmen were overwhelmed 61-39, but were not discouraged. They completed the first half of league play with a satisfying record of 3-3. After improving their skills and putting out 100%, the team felt confident and played much better. The '85-'86 season proved to be a learning experience for the young 'Stangs as Foothill finished 3rd place in the league. Coaches Don Wharton and Dave Colby felt that there were a number of strong players who could compete next year at the Junior Varsity level. Strong performances this year were turned in by team captain Chad Vial, James Irish, and Mike Drewes. Next year, Foothill should have a strong, balanced J.V. team and compete for the C.V.C title.

"It's Not Who Wins, It's How You Play The Game"

The Lady 'Stangs were outstanding in spirit this past season," said Coacn Ron Christian. Unfortunately, the team's hard work did not show up in the record book. Emphasizing the positive, the 'Stangs recruited a determined coach from Casa Roble High School. The Mustangs got off to a late start in their effort to reorganize the team. As most of the games were won or lost by close margins, Coach Christian said, "There were very few games that we were out of." Unlike last year the team was able to experience the "winning feeling" several times. Most team members described the feeling as "great." The leadership of the seniors was outstanding throughout the year, leading the team in game warm-ups and practices. The dedication of these four seniors will be missed by their junior teammates. "Next year looks like a promising season. It will definitely be something to look forward to." said Coach Christian.

Caught Up In The Hoopla

Foothill's girl's J.V. basketball team encountered tough competition this year. Despite their great enthusiasm the team's record was not impressive. Often, games had to be completed with only four players on the court because of illness or players that had fouled out. The J.V. basketball team gained much needed experience this year and will be tough competition for their opponents next year. Jodi Mehl said, "Due to lack of interest our team was small. Next year, hopefully more girls will go out for the team."

Wrestling Given A New Name At Foothill

They are among the least recognized athletes of the school. Their sport is by far the most strenuous of all, and considering the amount of work they put into it, it is the least rewarded. These athletes are the wrestlers. They are a select few, determined to push their bodies to the limit.

This group of dedicated young men gave wrestling a new name at Foothill. In comparison to last year, the team agreed, "We have at least doubled our strength and aggressiveness." After all of the hard work, and putting up with both the wins and losses, the memory that lingers is that of the championship match. The positive attitude and enthusiasm of the squad has definitely been a plus in getting these athletes prepared for the "Big" match. Among the top wrestlers this season was a veteran from Foothill, Mike Kobal at 138 pounds. Another outstanding member was first year Anthony Supplee in the 191 pound weight class.

1. Aaron Wyley tries to escape from the grasp of an opponent. 2. Matt Duncan wins the toss and chooses to start on top. 3. Bye, Bye, Birdie

The sport of badminton was first played in India, during the late nineteenth century. It later spread to Canada and then to the United States. The game itself is quite stimulating, both mentally and physically. In addition to being a coed sport, badminton also combines the values of individual sport with those of team sport. This year's badminton team consisted of few returning players. Although there is a lack of experience, the team has potential for a good season.

Slippery When Wet

Cold, windy weather had little effect on the dedicated Foothill swim team. A record breaking 55 swimmers tried out for this strenuous sport. The skill of veteran swimmers combined with the new freshmen talent created a powerful force. Driven by team captain Monica Kress and Coach Daryl Lorke, the team built up their endurance and bettered their times.

In order to unify the members, the team bought matching swim suits. The black suits increased spirit and gave the team a sleek, new look. As sophomore Daniel Bailey described the year, "It was more fun to be on the team this year — we really had the competitive spirit."

Blood, Sweat, and Tears

Pain . . . most of us would rather not experience this phenomenon if it can be avoided. There are, however, those people who thrive on the chance to test the limits of their physical and mental capabilities. Such people made up the 43 member boys' track and field teams.

Led by Coaches Davidson, Allmond, and Heckell, these dedicated Mustangs tested their endurance time and time again.

In a sport where individual successes and failures are judged by mere seconds and inches, it is imperative that athletes maintain a positive attitude. As Senior Scott Stuckey once stated, "It's not if you win or lose, it's knowing that your gave your best effort."

Although the team got off to a slow start because of excessive flooding during the rainy season, the boys would not be stopped by mere water, and proved that with a little pain, and a lot of Ben-gay and aspirin, success is unavoidable.

Lady Tracksters On Track!

Whenever spring sports is mentioned it conjures up an image of track and field. Foothill's track team was filled with determination and enthusiasm as the 1986 season got underway. Record breaking floods left the track and field area a "muddy mess." Despite the harsh weather, the team worked hard indoors and out preparing for the meets. Training under the experienced and knowledgeable eye of Mr. Davidson was helpful, especially for those students going out for the first time. Veteran team member Tessa Jackson commented, "We're not big in numbers, but outstanding in quality." Team numbers only became a factor in getting enough points required to be invited to the big invitationals. Though the team size was small, the goal of taking first at state was a real possibility.

Avoiding Love

Strange as it may seem, every year certain members of our student body exhibit premature tans in mid-February. At first we wonder what tanning booths are offering a discount, but then we realize that tennis season has begun.

This year's team, which featured returning lettermen Jeff Petty, Hogen Slater, David Kuettner, Fulton Chen, Joey Souvignier, Tom Bennett, David Belcher, Ray Pavlick, and Bruce Thomas, gave tough competition to the C.V.C. league. As the yearbook went off to press, the team had garnered several victories and had high expectations for league success.

New Mentor Inspires Squad

Under the new coach, Mr. Brill, the Varsity baseball team started out strong. Unfortunately, rainy weather delayed the start of the season for a few weeks. Returning members of the Varsity team included: Tony Peck, Tom Manley, Don Shores, Jason Vernon, Jason Edwards, Greg Scrivner, and Todd Fuller. The team also added a few "rookie" sophomores to the Varsity roster. Veteran player Tony Peck said, "Despite the rainy weather, and confusion with selecting a new coach, the Varsity baseball team believed they could manage to pull off a winning season with the help of our strong returners, young prospects, and valuable tips from their new coach, Clint Brill." As the yearbook went to press the season had not yet been completed, but the Varsity baseball team had high hopes and prospects for a CVC championship.

Rainy Day Season

Due to the extremely bad weather that was experienced this year, the J.V. baseball team got off to a late start. But as it has been said before, "Better late than never!" The team, consisting of returning sophomores including Bill Rankin, Brett Catanzaro, Tommy Tores, and David Dolde as well as several rookie freshmen, spent most of their spring practice time on the blacktop.

Chad Vial, one of the freshmen on this year's team, said, "Coach Hicks gave us the good leadership we needed to pull out a successful season, but it was the cooperation from each player that really did it for us."

When the clouds finally cleared and all the mud dried up, the J.V. baseball team hit the field with high hopes for a promising and sunny season.

Girls Prove Them-Selves

The 1986 women's soccer team was an outstanding one. Although just introduced last year the turnout was great. The team was led by forward Michelle Stefani, and fullbacks Jessica Wharton and Kim Williamson. Coach Don Wharton has a lot to look forward to in future seasons, since most of the team consisted of underclassmen. Overall, it was a job well done.

1. Mustangs move downfield for a scoring opportunity. 2. M. Stefani executes a shot. 3. D. Wareham confronts a Dixon opponent. 4. Keeping the ball away from the opposition is A. Arnold. 5. J. Soik gains control of the ball. 6. S. Daw kicks the ball downfield. 7. Coach Wharton discusses strategy with the team during halftime. 8. H. Ulrey dribbles the ball downfield. 9. Front row: M. Stefani, T. Hyatt, J. Stuckey, K. Brown, N. Taylor, J. Soik, H. Ulrey, Back row: D. Quigley, Coach Wharton, G. Lowell, D. Nelson, T. Anderson, J. Mehl, D. Wareham, S. Daw, C. Hullum, Coach Colby, T. Soft-ballers Make A Hit

The 1986 Varsity softball team started off the season with some important advantages over previous teams. There were eight returning players and two very promising new frosh, Cindy Weathers and Kindra Wilson. The group worked hard, practicing two hours everyday, rain or shine. Under the supervision and experience of Coach Wagoner, they looked forward to a strong season. Cindy Powell, the starting pitcher, said, "With most of our team consisting of returning players, we hope to have a great year." The squad anticipated a winning season that would lead them to T.O.C.

J V Softball is a Hit

This year the girls' junior varsity softball team consisted of thirteen hard-working freshmen and sophomores. All the time it took to practice and perfect their game was well worth the effort, especially when the team defeated their opponents. They put in their best efforts at attending practices, and worked hard at running, batting, and pitching. Coach Martin said, "We have had a lot of fun with the team this year."

1. Front row: K. Brushia, S. Edmondson, J. Harphan, L. Gaea, M. Milami, R. Grenados, S. Poppert. Second row: D. Mahoney, K. Newell, C. Chenoweth, W. Wishart, D. Hausel, D. Minor, S. Phillips, J. Mahoney. 2. Counterclockwise, left to right: Kelly Newell, Danielle Housel, Robyn Grenados, Cherie Chenoweth, Wendy Wishart, Jara Harpham. 3. Laura Gaea catches a fly ball. 4. Kim Brushia dives to catch the ball. 5. Cherie Chenoweth tosses the ball to first base. 6. Wendy Wishart cracks the ball to the outfield. 7. Coach Martin instructs Jara Harpham on the technique of sliding. 8. Coach Martin gives the team a pep talk. 9. Cherie Chenoweth gives the ball a good hard hit while Wendy Wishart prepares to back her up. 10. Sandy Poppert scoops up a grounder.

Phil says, "It is hard to stay just one band because there are alway many problems that go along with bein part of a musical group." Phil's future plan are to produce a record and he wants perform on the radio someday.

Super Swimmer

Kim Killman began her swimming career at the young age of four, and can't remember a time since then that swimming wasn't the main part of her life. All of Kim's hard work and dedication paid of in 1984 when she qualified for the Jr. Nationals in Arkansas, and had the opportunity to compete in the Olympic trials.

Kim didn't make the Olympic team, but she placed 22nd in the nation for the butterfly, which was a great accomplishment for a girl of her age.

Kim trains at the Arden Hills Swim Club under Sherm Chavor, who gained fame in the seventies as coach for Olympic champion Mark Spitz. Kim plans on continuing her swimming career in the future.

She is trying to get a band together and hopes to release one of her songs, "Hold it," which she feels will be a hit. A lof of Theresa's singing has been in competi·tions and participating in the NAACP. Ther·esa's big break may come when she will appear on Star Search.

Ballet Crew

Between homework, friends, and school many of us find it difficult to find time for other activities after school. But six Foothill students found that time and have become talented ballet dancers. John Downing, Melody Perkins, Glen McCarthy, Aaron Hunt, Mary Lou Castio, and Kevin Fish dedicate hours each week to perfect·ing their skills. At this year's production of the "Nutcracker" by the Sacramento Ballet Association, these talented students showed off their abilities in the nine days and nights that the ballet was performed.

Have You Heard . . .

Throughout the year, reporters were often seen lurking behind trees and hiding behind bushes trying to pick up juicy information for the well-known column, "Benchtalk." This newspaper tradition continually emphasized the maturity of the seniors, and the immaturity of the underclassmen. Freshmen were ridiculed the most about their somewhat childish activities, since they were the "babies" of the school, but it was always done in good humor so that nobody was offended. Each class managed to receive at least one kind word in the column during the year, even the notorious class of '89! Benchtalk was the Mustangs' constant source of entertainment and gossip that seemed to be the most popular feature in the paper.

1. Shari Haskell points out, to fellow staff member Renee Friend, an interesting article that might be a good topic for a story in the paper.

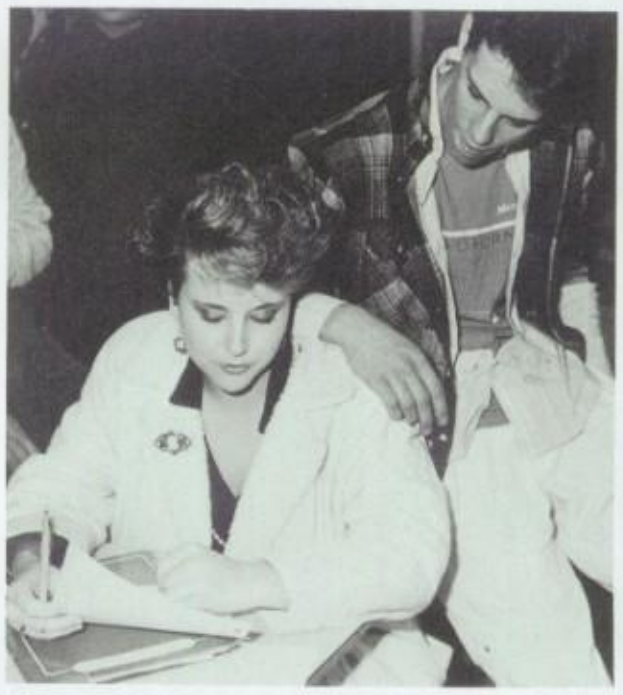
What An Honor!

Each month the Elks or Rotary Club picked a student of the month, and when one of the Mustangs was honored, the paper was sure to do a feature article. The Student of the Month Awards were given to students for academic achievements as well as outstanding work in elective courses. The actual award was presented at a luncheon, which was attended by the student and his/her teacher. The article told about the student's achievement, and also included information about their background and plans for the future. Those who received the special honor of being chosen as student of the month for one of our community's prestigious clubs would surely agree that it was a pleasure, and an honor, to be featured in Hoofbeats.

Extra! Extra!

Some of the dedicated members on the Hoofbeats staff devoted their creative talents to writing the paper's ever-popular features. From song dedications and Hoofn' Its zany questions to Want Ads and the worldly advice of Suzy Q, the staff pretty much covered it all. Students were informed of the latest styles and happenings on campus, and kept up to date on the latest gossip. Sherrie Tyler, a feature writer, said, "Working on the paper's regular columns was a new and fun experience." Sherrie was just one of the many who made the paper a huge success this year by creating funny and appealing features for every issue.

> "Working on the paper's regular columns was a new and fun experience."



1. Feature editor, Cori Chagnon, gets Tom Bennett's friendly advice. 2. Typing up the newspaper on the computer is one of Kim Mizell's favorite jobs.

Last year, Hoofbeats converted to computer and the results were fabulous. Not only was the staff's work simplified, but the paper's new look was pleasing. Computer Science instructors, Mr. Blackwell and Mr. Murray made the use of the school's computers possible. A typist would simply have to type each story into the computer, and a printout would be ready within seconds. The articles were then cut and pasted onto a page, ready to be sent to the printer. Since the use of the computer seemed to be a significant factor in the success of putting together the paper, it looked as if this new technique would soon become a tradition.

Hoofbeats

Once again, the Hoofbeats staff succeeded in providing the student body with an informative and entertaining newspaper. The paper was distributed every two weeks, and gave first hand information about sports, clubs, current school events, academic achievements, and even the hottest gossip! Traditional features such as "Benchtalk," song dedications, and horoscopes kept the Mustangs laughing throughout the year.

The staff, including advisor Wayne Milton, put a lot of work into the paper. One of this year's new additions to the staff, Deniece Vargas, said, "The year was fun, but we had to work hard to make a successful paper." And what a success it was! The editors, Sean Griffin and Tamara Rector, provided the direction needed by the rest of the staff to make a paper that the students would not only enjoy, but also appreciate.

Two staff members, Tamara Rector and Kim Mizell, returned to work on the paper this year for the third time. Upon graduation, fine examples of outstanding journalism will be left behind for future staffs to follow.

Many new features and ideas were brought to Hoofbeats this year, but the fine quality of the paper, and the entertainment it provided, was definately nothing new.

"The year was fun, but we had to work hard to make a successful paper."

"Being editor of Foothill's newspaper was definitely a unique experience."

"It was tough being editor, but I still had lots of fun."

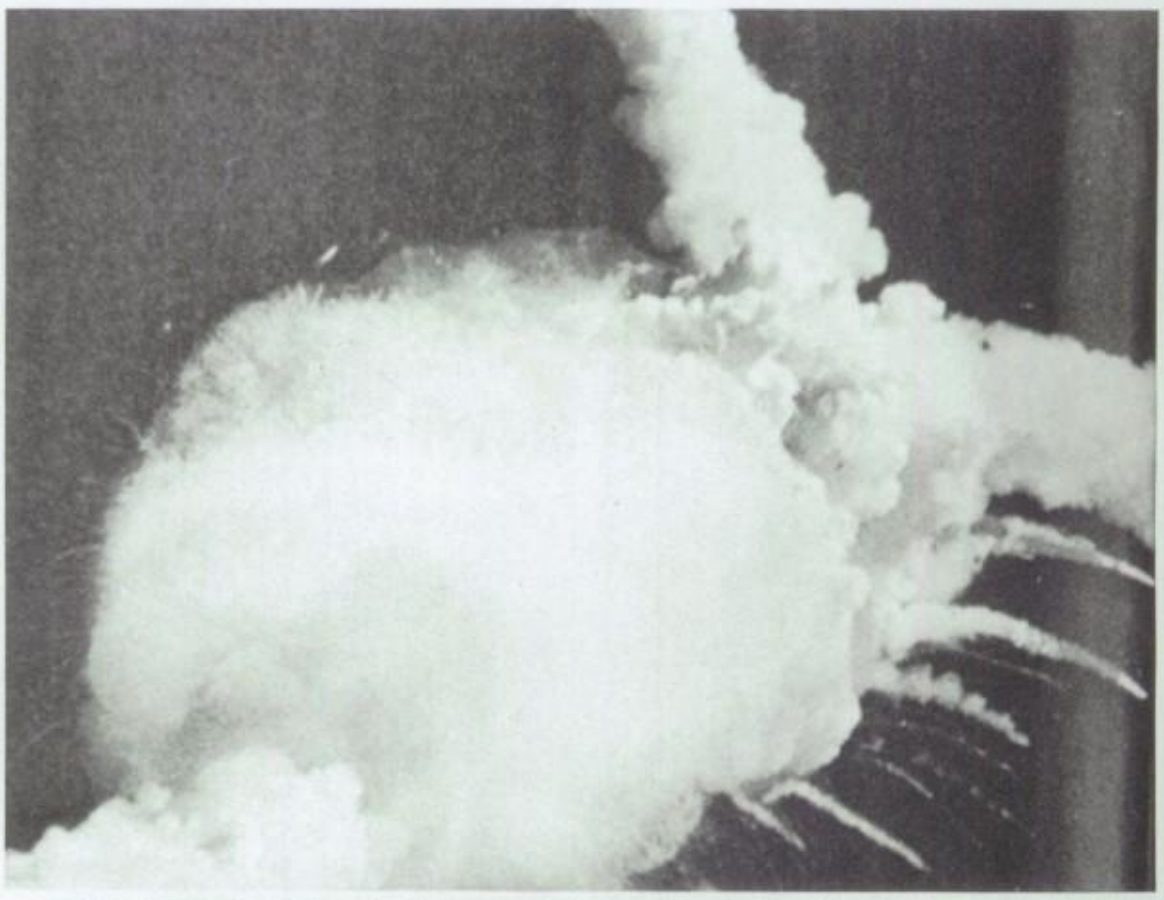
Tragedies In The Sky

Thousands watched in horror as the 10th mission of the Space Shuttle Columbia exploded in less than two minutes after take off. All seven crew members were killed, including one who was to be the first teacher in space, Christa McAuliffe. The saddened nation mourned the ill-fated flight and many questioned the continuation of the space program.

Another crash took the life of singer and former teen idol Ricky Nelson. Samantha Smith, the young girl who wrote a letter to Soviet leader Yuri Andropov with hopes of world peace, was also killed when her plane crashed.



In Sports

At the 1985 World Series, the Kansas City Royals defeated the St. Louis Cardinals which was a great surprise. The underdog New England Patriots made it to the Super Bowl only to be mauled by the Chicago Bears 46-10.

Boris Becker took the Wimbledon title at age 17 to become the youngest male player to hold that title. Ivan Lendl captured the US Open title and was finally ranked number one in the world after his seven year struggle since entering professional tennis.

Something To Celebrate

Here in California the Lottery opened with a bang! The long awaited system put hundreds "in the money" when they were chosen to take a chance at the Big Spin.

Also here in the Capital City, the Sacramento Kings arrived to bring the first NBA team to our city. The Arco Arena was built for the Kings, but also brought in other activities such as tennis, wrestling, concerts, and truck pulls.

In Northern California, tremendous rain storms left many counties in the state flooded in up to ten feet of water. After many levees broke, residents of counties such as Yuba and Napa were forced to evacuate when flood waters began to rise dangerously.

Disneyland celebrated it's 30th anniversary this year as Mickey Mouse, Minnie Mouse, Donald Duck, and all the other Disney characters joined everyone to enjoy the festivities and great entertainment.

Haley's Comet made its appearance after 76 years of hiding.

Eying The Stakes

On November 19th-20th, President Reagan and Soviet leader Mikhail Gorbachev met to discuss arms control. Americans were hoping for more successful results than in the past.

A strong majority of the American people, 61 percent, suspected that the Soviet proposal to reduce nuclear arms was a false one.

After the summit meetings were over, President Reagan promised the nation future reduction of nuclear arms.

Leadership Shows The Way

The student council worked diligently on a great many projects for Foothill's student body. The council set up committies to see that each activity was carefully planned and carried through successfully. Several blood drives were held by the Sacramento Mobile Blood Bank for faculty and students over the age of seventeen. The blood bank gathered over 62 pints of blood. The council also organized many dances. The two most successful dances were the Homecoming and Inti-Rami dances. Also, a student report was written and filed for the accrediatation summary. Members of the upper-classes dedicated most of their time to planning their proms and raising enough money to pay for them.

Although mostly dominated by women, a surprising number of males were involved in student council, in comparison to previous years. The main duties of a class officer consist of representing their class, planning social activities, and working with other officers to provide a better high school.

> Mr. Wilcox — "The efforts of the student council are often unappreciated by the student body."

Tessa Jackson was elected as student body President for both terms. Phadra Alexander and Shari Thompson filled the position of vice-president for fall and spring semesters respectively. Michelle Maguire did her duties well as student council secretary for both semesters. Anne Webb served as fall treasurer and Kim Killman as spring treasurer.

TOP TEN

After four long years of high school, the top academic leaders for the class of 1986 are finally being recognized. Who are these dedicated students? They are CSF members, yearbook editors, journalists, student leaders, VICA members and athletes who have continuously managed to juggle demanding schedules as well as maintain high academic standards.

These students will continue to be rewarded for their achievements after high school. Full and partial academic scholarships have been awarded to several students. Other students will find that they have been given priority into the colleges of their choice. The opportunities that have been opened to these high achievers are limitless.

The Magnificent Seven

Throughout the fall semester, seven dedicated students could be found preparing themselves for the Northern California's annual Academic Decathlon. These students were chosen to represent Foothill in three levels of competition: Varsity, Scholastic, and Academic. Participants competed in ten categories dealing with this year's theme, "Immigration".

The long hours and hard work of these students paid off when Foothill was awarded the first place medal for the Grant District. Two bronze medals were also awarded to Michelle Maguire (Scholastic League), and Kristine Uyeda (Varsity League).

Participants in the decathlon were John Story, Stephanie Bandy, Michelle Maguire, Stephanie Bell, Christine Uyeda, Gina Griffiths, and Tessa Jackson. Congratulations for a job well done.

A Touch Of Spain

Macarena Garay came to the United States by way of Youth For Understanding, a program that deals with foreign exchange students.

After arriving from Spain, Macarena enjoyed tasting all the new foods. She especially liked eating tacos, pizza, and the different vegetables.

Macarena enjoyed all the different clothing stores here in the United States. She admitted that our country has many more places to shop than in Spain. Macarena also admitted that she missed her family.

After graduation, Macarena would like to return to Spain and attend Computense University to study biological sciences. Equi hopes that Macarena enjoyed her stay in the United States as much as we enjoyed having her.

Attending Foothill this year from Denmark was Josef Belmaati. He enjoyed the United States and said, "It's pretty rad," Josef also said that he would like to visit our country again.

During his eleven month stay, Josef was entertained by the wide variety of sports available, especially football and baseball, because they aren't played in Denmark. Josef was also fortunate enough to play on the varsity basketball team here at Foothill. Although soccer is the most popular sport in his country, Josef prefers basketball.

As for American food, Josef liked all the different fast food places, but what he liked most was steak because he said it was "bigger and juicer".

After returning to Denmark, Josef plans to attend a three year college and study to become a computer technician. Foothill would like to wish Josef good luck in the future.

Foothill's faculty, the backbone of the school, experienced a major administrative change this year. Superintendent Hazel Mahone initiated a new district policy mandating the transfer of principals to other schools every few years. The appointment of Judy Steeg as principal prompted student body attention to be focused on the faculty, and contributed to giving Foothill A New Look.

A New Look at Faculty

Administration

New Looks For Administration

In 1986, the Foothill administration surfaced with a new look. After eight years as Foothill's principal, Mr. Richard Nelson was transferred to Rio Linda to replace Mr. Vernatchi, who was retiring. Mrs. Steeg took over the reins as principal in late January after serving for years as Vice Principal at Foothill.

When asked what Mr. Nelson will miss most about Foothill, he responded, "Foothill has a lot of school pride . . . that's what makes it the fine school that it is. The faculty members and students care dearly about the school and keep up the good reputation that it has always had." Mr. Nelson's goals as Principal were to maintain a curriculum to meet the needs of the students, to promote academic achievement, and to keep attendance high.

After 18½ years as a Vice Principal, Mrs. Steeg is the first woman to achieve the position of Principal at the high school level in the Grant District. Mrs. Steeg's education includes undergraduate work at Chico State, and graduate work at Sequoias University and Sacramento State.

Mrs. Steeg commented, "I enjoy working with the professional faculty and bright responsive students at Foothill, because they give the feeling that everything is possible."

Ardary Retires After 34 Years

After a 34 year teaching career, Foothill faculty and students wished Mr. Charles Ardary a reluctant farewell. Mr. Ardary graduated from Lockhaven State College in Pennsylvania and Western Reserve in Cleveland. He also attended Davis, Sacramento State, and Sierra College for additional credits. He was assigned to both Highlands and Foothill when they were opened. Mr. Ardary said the most unusual thing that happened to him was opening Foothill in 1965 without glass in the windows and holes in the roof where the air conditioners were to be placed. Mr. Ardary taught English and served as the English department chairperson for 21 years at Foothill. During his last 2 years he was selected as mentor teacher.

When asked what his plans for retirement were, Mr. Ardary jokingly claimed, "Not correcting papers!" But, seriously, he added he would like to spend his time traveling about the United States. Foothill wishes Mr. Ardary good luck in his future endeavors.

What is the best thing about being a teacher at Foothill?

Warren Popp — "The great students!"
Ms. Berberian — "Incredible as it may seem, I'm still one of the youngest on the faculty! Yippee!"
Mrs. Haug — "Working with the students."
Mr. Smith — "Vacation!"
Ms. Chilcott — "Working with nice students."
Ms. Stammerjohan — "All the cute guys in the halls!"
Mr. Munyer — "I get to meet everyone."
Ms. Mills — "The students."
Mr. Johnson — "Having nice people in my classes."
Mr. Fox — "It allows me to be creative."
Mr. Wilcox — "Working with the kids."

Ardary Retires After 34 Years

After a 34 year teaching career, Foothill faculty and students wished Mr. Charles Ardary a reluctant farewell. Mr. Ardary graduated from Lockhaven State College in Pennsylvania and Western Reserve in Cleveland. He also attended Davis, Sacramento State, and Sierra College for additional credits. He was assigned to both Highlands and Foothill when they were opened. Mr. Ardary said the most unusual thing that happened to him was opening Foothill in 1965 without glass in the windows and holes in the roof where the air conditioners were to be placed. Mr. Ardary taught English and served as the English department chairperson for 21 years at Foothill. During his last 2 years he was selected as mentor teacher.

When asked what his plans for retirement were, Mr. Ardary jokingly claimed, "Not correcting papers!" But, seriously, he added he would like to spend his time traveling about the United States. Foothill wishes Mr. Ardary good luck in his future endeavors.

Essential Services

Without the cheerful help of the custodians, cafeteria workers, and secretaries, Foothill High School could not exist. Can you imagine keeping your own records, cooking your own lunches, or keeping the campus clean, (like mowing lawns and cleaning graffiti)? Well, these people do all of these things but much more, and deserve our thanks for keeping the school running smoothly.

A FINAL NOTE ...

This past school year, our yearbook staff attempted to assemble a fond portrayal of high school life on these 232 pages. As always, there are bound to be errors and misspelled names, for which we apologize. With the knowledgeable guidance of advisor, Mr. Stoneking, we tried to produce a very different and exciting book for the student body. Many hours of hard work and frustration went into making this 1986 yearbook one which will represent our school with pride. We hope you're as satisfied as we are.

Do ya also remember that guy who sat behind
you before Cindy came, I think his name was
? Novack. I heard he was the one who
wrote all that stuff of Mr. Cook being the Devi
before he got kicked out of this school - my arm
is getting hella tired! I always thought as our
group very peculiar, each of us had our own
personality. For example:

A) Cindy Carter - a biker, whose funny + has a
hilarious laugh!

B) Andrew Sammers - a quite surfer (sometimes) wh
makes great grades on tests + helps us ge
through them too.

C) Me - I can't define myself! The
There's also the ones around us like Doug? Qu
